TOSHAN S MAINDAN

FULL STACK DEVELOPER

Hi! I'm Toshan, A passionate front-end developer with expertise in CSS, React.js, MERN stack, C++ and DSA. Currently exploring 3D web development using Three.js to create visually immersive websites. Mixing it up with video editing in After Effects, 3D modeling in Blender trying to recreate cinematic shots. Hobbies include video gaming and learning to play the electric guitar. Committed to writing clean, optimized code while introducing innovative ideas. Aiming to contribute my skills for developing stunning projects.
